DETAILED ACTION

1. This Office Action is responsive to the After Final Amendment filed 16 October 2007. Claims 17-21 and 25-43 are now pending. The Examiner acknowledges the amendments to claims 20 and 21, as well as the cancellation of claims 1-16 and 22-24 and the addition of claims 25-43.

Allowable Subject Matter

2. Claims 17-21 and 25-43 are allowable over the prior art of record. The following is a statement of reasons for the indication of allowable subject matter: regarding claims 17-21 and 25-43, the prior art of record does not teach or suggest implanting a gastric banding device whereby control signals are remotely transmitted from outside a patient to the gastric banding device to actuate a first valve between a pressurized fluid reservoir and an inflatable chamber whereby the pressure in the pressurized fluid reservoir remains greater than or equal to the pressure in the inflatable chamber.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
